Vineyard

Windrow Vineyard is the oldest commercially planted vineyard in the Walla Walla AVA. Talks to create the appellation happened on this soil. Situated on a bench created by thousands of years ago where Lower Dry Creek empties into the southern Walla Walla Valley, Windrow has a rare combination of heat during the day followed by a cool breeze flowing out of the Blue Mountains in the evenings. This diurnal shift allows us to grow our grapes until later in the season, increasing maturity while retaining enough acidity to maintain balance and structure. Ellisford Silt Loam is prevalent in this part of the Walla Walla Valley AVA. Windrow varies from deep deposits of windblown loess to shallow layers over gravelly cobble.

Winemaking

"Nebbiolo! 2013 produced an abundance of Nebbiolo at Windrow Vineyard and try as I might I just couldn't quite get it to the level that I require for our Private Reserve status. Declassifying this wine gives me the chance to extend a rare opportunity to the rest of our wine club members to taste my version of a Piemonte Barolo. Three years plus in neutral French oak and 2 years in bottle." Doug Roskelley

Tasting Notes

Red to brick-red in color, this vintage of Nebbiolo displays classic aromas of cherry, tar, and roses leading beautifully to flavors of red fruits, black currants, and violets. With tannins that are round and smooth on the palate, this wine is elegantly balanced and well-structured with a finish that lingers. This beauty would pair nicely with a bowl of truffle or mushroom risotto.
