2014 Cappella

Cappella is one of our all time favorites and the 2014 vintage is exceptional. On the nose you get fresh red cherries, light floral notes, cinnamon, and a little forest floor on the back end. 2012 Loess Vineyard Syrah

From one of Leonetti's Estate vineyards, this elegant Syrah has notes of black cherry, blackberry, chocolate and earth with a hint of black pepper and coffee on the smooth lush finish. The 4% co-ferment with Viognier holds the acidity together beautifully. **92 points, Wine Advocate**

2014 Patina Vineyard Syrah

2013 Forgotten Hills Syrah

Our final vintage of Forgotten Hills Syrah, the one that started it all! 100% Syrah from Phelps and Clone 99, this wine has always been made in the vineyard. Not in The Rocks or is it? Missoula flood erratics provided a bevy of cobble stone rocks just under the silt and loam surface. Forgotten Hills being one of our older sites has always given its trademark earthiness and acid. This vintage is no exception. Lovely earth and black pepper notes engulf you.~Jamie Brown, Winemaker

High-toned aromas of cranberry, herb, black licorice and dried cherry are followed by tightly wound dark fruit flavors backed by firm tannins. The finish extends into the distance. It's a highly structured wine, with its' best days far in front of it. Drink now until 2028 **93 Points ~ Wine Spectator**

2014 21 Grams

"Cabernet Sauvignon from esteemed Cold Creek Vineyard makes up the backbone of this wine. Intoxicating aromas of assorted dried herbs, graphite, spice, tea leaf, coffee and black cherry are followed by tightly wound dark fruit flavors. The rich flavors show sophistication, layering and depth, with enough acid and tannin structure for 20-plus years of enjoyment. An extended finish only heightens the impression. It's a stunner that overwhelms on expressiveness rather than sheer strength. Best after 2025."~Sean P. Sullivan
